

BSS200 Stainless Steel Dressing Trolley

Benefits

- Lower Shelf 300mm from the floor to support OH&S requirements to minimize bending/lifting exposure
- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Handles rounded and entirely smooth to minimize infection control and make grasping easier

Specifications:

Part Number	BSS200
Item	Dressing Trolley-without Drawer
Shelf	2 Shelves, 4*rails on both shelf
Castor	4*100mm, two with brakes
Construction	Stainless steel/Welded
Measurement(mm)	Option 1: 850W*500D*900H Option 2: 700W*450D*900H Option 3: 600W*400D*900H Or other customized size

BSS200D/200DB/201D Stainless Steel Dressing Trolley with one Drawer

BSS200D

BSS200DB

BSS201D

Benefits

- Lower Shelf 300mm from the floor to support OH&S requirements to minimize bending/lifting exposure
- Full Extension Ball Bearing drawer runners which are designed to protect contents impact damage
- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Drawers will not fly open when carts are being moved around
- Handles rounded and entirely smooth to minimize infection control and make grasping easier(BSS201D)

Item	Dressing Trolley-one Drawer
Bucket	1 pc
Instrument shelf	1 pc
Shelf	2 Shelves, 3*rails on both shelf
Castor	2 x 100mm Locking, 2 x 100mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	800w x 500d x 1000h

BSS203 fan-shaped Instrument Table

- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Solid construction means a longer product life
- Two (2) years warranty

Specifications:

Part Number	BSS203
Item	Dressing Trolley
Shelf	2 Shelves, 3*rails on both shelf
Castor	5pcs
Construction	Stainless steel/Welded
Measurement(mm)	1370w x 400d x 1000h

BSS300/301 Three Layer Stainless Steel Instrument Trolley

BSS300

BSS301

Benefits

- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Handles rounded and entirely smooth to minimize infection control and make grasping easier
- Solid construction means a longer product life
- Two (2) years warranty

Specifications:

Part Number	BSS300 / BSS301
Item	Dressing Trolley
Shelf	3 Shelves, 3*rails on both shelf
Castor	2 x 125mm Locking, 2 x 125mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	Option 1: 850w x 500d x 900h Option2: 700w x 450d x 900h

BSS302 Trolley For Infusion Bottles with three shelves

- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Four Sides with guardrails
- Handles rounded and entirely smooth to minimize infection control and make grasping easier
- Solid construction means a longer product life
- Two (2) years warranty

Specifications:

Part Number	BSS302
Item	Trolley For Infusion Bottles with three shelves
Shelf	2 Shelves, 4*rails on both shelf
Castor	2 x 125mm Locking, 2 x 125mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	850w x 500d x 900h

BSS204 stainless steel diaper trolley

Specifications:

Part Number	BSS204
Item	BSS204 stainless steel diaper trolley
Shelf	2 Shelves
Castor	2 x 100mm Locking, 2 x 100mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	550w x 400d x 800h

BSS020 Stainless Steel Linen Trolley with dust bag

- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Handles rounded and entirely smooth to minimize infection control and make grasping easier
- Solid construction means a longer product life
- Two (2) years warranty

Specifications:

Part Number	BSS020
Item	BSS020 Stainless Steel Linen Trolley with dust bag
Shelf	3 Shelves on left, right side with dust canvas bag
drawer	1 pc
Castor	2 x 125mm Locking, 2 x 125mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	940w x 460d x 940h

BSS024 Stainless Steel Linen Trolley with dust bag

- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Handles rounded and entirely smooth to minimize infection control and make grasping easier
- with waterproof canvas dust bag
- Solid construction means a longer product life
- Two (2) years warranty

Specifications:

Part Number	BSS024
Item	BSS024 Stainless Steel Linen Trolley with dust bag
Shelf	3 Shelves on left, right side with dust canvas bag
Castor	2 x 125mm Locking, 2 x 125mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	940w x 460d x 940h

BSS025/026 Stainless Steel Linen Trolley with double dust bag

BSS025

BSS026

- Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort
- Handles rounded and entirely smooth to minimize infection control and make grasping easier
- double waterproof dust bag, one in yellow color, one in blue color
- Solid construction means a longer product life
- Two (2) years warranty

Specifications:

Part Number	BSS025/026
Item	Stainless Steel Linen Trolley with dust bag
Dust Bag	One yellow color, one blue color
Castor	4 x 100mm Swivel
Construction	Stainless steel/Welded
Measurement(mm)	810W x 530D x 900H

BSS027/028 S Laundry Trolley with Lid

BSS027 Double Laundry Trolley With Lid

BSS028 Single Laundry Trolley With Lid

- stainless steel or steel power coated optional

- with ABS lid, open via foot pedal

Precision ball bearing castors which enables the weight of the unit to be absorbed by the bearing and then assist the unit being moved with minimum effort

- Handles rounded and entirely smooth to minimize infection control and make grasping easier
- double waterproof dust bag, one in yellow color, one in blue color
- Solid construction means a longer product life
